# Sketch Art PS Action
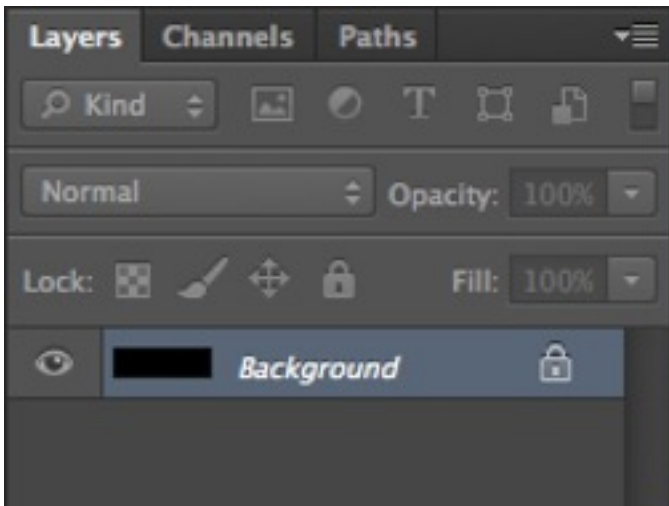

## Help File
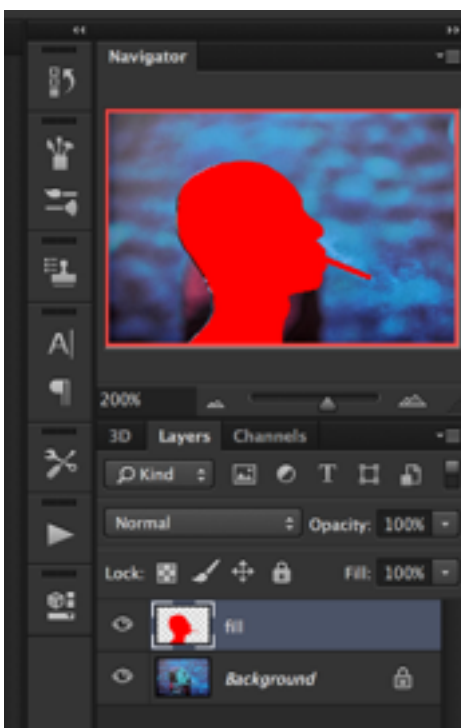

How to install the action?

**1.** Inside Photoshop ( must be English version ), go to the "Window" menu and select 'Actions'. A window will now appear to the right hand side.

**2.** Inside the Actions window, click on the top right hand corner icon to reveal the drop down menu. From here select "Load Actions...". Select the action which came with the download.

**3.** The action will now appear in the actions panel.

How to use the action?

**1.** Open your photo by going to the "File" menu in Photoshop and selecting "Open". Select your photo and hit «Ok» Your Photo must be 'Background' named, locked layer, if it is not - click at PS menu Layer - New Layer - Background from Layer.

**2.** Next create a new layer, name it «fill» , take a Brush Tool and paint area where the action must be appear! (portrait\people\building, etc.) Dirty and crazy brush strokes are welcome! Don't forget to use my brushes that included with this action, also play with Opacity!
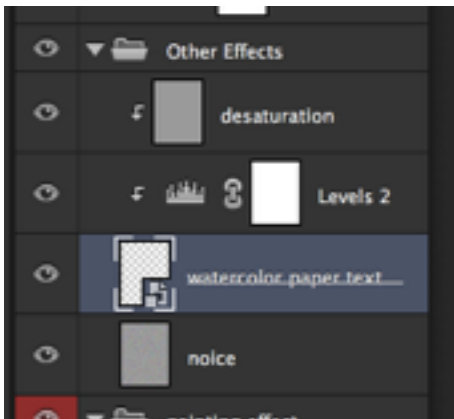

**3.** Next with the Action selected, hit the "Play" icon at the bottom of the actions window. Make photo adjustments.

There are a lot of layers and possibilities, you can edit and move\change everything! Experiment, explore, add something yours.

**How to add watercolor texture?**

After the action is finished you can add a texture, go to the «Other Effects» folder, double click on the smart object layer, named «watercolor paper texture», new window would be opened, drop texture inside this window and close it then, don't forget to click «Save» button!

Thanks a lot for the purchasing this action!
