

Hand Drawn Pattern Collection

Hand Drawn Pattern Collection is our first pattern collection here on CreativeMarket. All the elements are hand drawn with different brushes and converted to Illustrator or PNG files so you can use them whenever and however you want.

The collection includes:

- 20 Photoshop Patterns
- 100 HAND DRAWN elements in AI, EPS and PDF file format
- 300 PNG elements in high resolution
- 3 Foil backgrounds - rose gold, gold and silver
- Instructions

How to add your patterns in photoshop:

Load a library of patterns

Choose one of the following from a Pattern pop-up panel menu:

- Load Patterns to add a library to the current list. Select the library file you want to use, and click Load.
- Replace Patterns to replace the current list with a different library. Select the library file you want to use, and click Load.
- A library file (displayed at the bottom of the panel menu). Click OK to replace the current list, or click Append to append the current list.
